Vision Doeve Brokers

Lovingly maintained classic sailing yacht, a Double Ender from Shipyard Mulder in B-Antwerp. The sailing yacht is equipped with five sleeping places, a galley, toilet and a navigation corner. This S-bilge with mizzen shows a stable sailing behavior and is certainly also very suitable for solo sailing. The serious sailor shall eventually want to replace the sails. The seller has invested a lot in the sailing yacht over the years and that shows. In 2023 has she been provided above the waterline with six new layers of paint. The underwater hull has been caulked, a new layer of primer and then on top of that a new layer of antifouling. With her sharp bow, stern and her striking bulwark she is a beautiful appearance. You will get the necessary attention from fellow water sports enthusiasts with this sailing yacht.
