### Vision Doeve Brokers

Spacious motor cruiser with inside and outside steering position and a large aft deck. This is a perfect boat for a big family because there are 8 sleeping places on board. There are 2 bunk beds in the aft cabin and a double bed in the front. The dinette can be transformed into a double bed as well. The boat has some overdue maintenance especially the deck, which needs to be repainted. A new engine was installed in 2005. The available bow thruster makes mooring and unmooring very easy. The original seating area in the salon has been expanded with an additional seating near the sliding door on the starboard side. This extra bench can be easily removed if you want to use this entrance. In short, the ideal motorboat with the opportunity to experience unforgettable adventures on the water with your family.
